SUPPLEMENTAL COMMENTS OF APPLICANT ACCOMPANYING

INFORMATION DISCLOSURE STATEMENT (IDS)

On January 20, 2008, the undersigned submitted a Renewed Petition under 37 C.F.R. §1.137(b), an Amendment Accompanying Renewed Petition, and a Request for Continued Examination. The Petition was granted on February 20, 2008, and the matter, including the amendment, submitted with the Petition, has been returned to Group Art Unit 3679.

Included with said amendment, was an IDS citing 96 "prior art" citations, together with a document entitled, "Comments of Applicant Accompanying Information Disclosure Statement (IDS)".

Last week, the undersigned was given a copy of a letter dated February 14, 2008 from the law firm representing Mr. Miller and his law firm in the dispute between Farah D. Morton and her company, Baby Delight, Inc.

The letter of February 14, 2008 lists five additional patents pursuant to an Arbitrator's Order dated January 15, 2008 (set forth on page 3 of "Comments of Application Accompanying Disclosure Statement (IDS)"). These five patents are set forth in the attached IDS as citations

numbered 97-101. The undersigned is not aware as to why these five patents were not submitted with the original 96 citations. The Arbitrator has advised the parties (and the undersigned counsel) that the Respondents' counsel represents that with the addition of these five patents, there is no other prior art identified, but not disclosed.

The undersigned counsel apologizes for any further burden placed on the examiner because of this additional IDS.

Respectfully submitted,

Harris Zimmerman
